**Hollywood: Behind the Scenes
Presenting Dina Michelle & Friends**

Hollywood, the realm of dreams, offers an unparalleled experience for entertainment enthusiasts. Join us on an exclusive journey, where professionals in the fields of Film, Television, Live Events, Theater, and Music will accompany you. They will engage you in captivating lectures and presentations, sharing their insights, experiences, and exclusive videos and photographs of behind-the-scenes events.

A Special Guest on Nova Sailing will lead lectures, host meet-and-greets, and also serve as one of the lecturers.

Dina Michelle has spent nearly 30 years at The Academy of Motion Picture Arts and Sciences, most recently as the Academy Talent Producer and Senior Director for Oscars Strategy, Awards Production, Events, and Talent Relations. Her expertise lies in managing nominee and performer movements from the 900-foot red carpet at the Dolby Theatre to the Governors' Ball. On Oscars night, she oversees the Talent Relations Committee, playing a pivotal role in the Red Carpet show, the Oscars® show, and the Governors' Ball. Dina also contributed to the opening of the Academy Museum of Motion Pictures.

Outside the Academy, Dina runs Wild Branch Enterprises & Music Group, encompassing productions, records, and a foundation focused on the environment, youth, and animal rescue. Experience Hollywood behind the scenes with Dina and her colleagues, with guest speakers to be revealed soon.
